YOKOL

In a few days it is probable that another racter of the entire region. A small Miya Flinto abrine, had been erected on the top | mages agitation will be commenced by the cotton Vanial, and on the scarp of rock beside it operatives in Lancachire. It will be rememberofferings of an unusual sort. These were of that about this time last year, after a long of other than rusty sword blades, to the period of unparalleled depression in the cotton nber of above a hundred, which had been trade, the manufacturers insisted upon and in time to time deposited there by unquiet enforced a reduction of wages to their rits, who having committed some dead of operatives. It was first intended to be a general lence, had, in their removes, performed the reduction of 10 per cent., but after negotiations grimage, and here in the night of Heaven with the operatives, and sarious deliberations away from them the instruments of their among themselves, the masters of Preston reme. The travellers accomplished the des duced the spinners 5 per cont., and the weavers it and the return to the palace before night 10 per cent. In Blackburn, Burnley, Darwen, Clitheroe, Padiham, Accrington, and other West day was spent in seeing the sights of places in East Lancashire, reductions took effect; throsan. The chief glory of the place is, but while in some places they were equal to 10, Hommiya, the original temple and scat in others they were only 74 and 5 per cent. the cult of Gongensama. The Japanese Interly there has been an improvement in the gard this, with good reason, as the most trade, and gradually nearly the whole of the leaded religious edifice in the Empire. It is mills and weaving sheds in the manufacturing much the same style as the shrines of the districts of lancashire are now at work, with for Stoguns in Shilm, but the effect of the the exception of about a dozen mills in Preston borate or asmentation is not spoiled, as in the that have been longed closed, and, from various fer, by the floring colour of the groundwork causes, are likely to remain so. A better feeling perrades the trade generally than obtained a perrades the trade generally than obtained a sea not admit of a description in detail; sufe it to say that the shrine at Nikkwo is no rule in the markets, which in some degree may worthy mornment to the national hero and he attributed to the greater confidence begotten obably the greatest statesman of Japan, by the operation of the Brinkrupicy law. This se next object of note was the grave of lyc-improvement, though slight in a reminerative as, the entrance to which was through a long aspect, has already induced the operatives to se gallery thickly overgrown with moss, consider the advisability of endeavouring to is beads into an impressively still and solemn | recover 5 per cent, of the amount deducted from ove, in the midst of which stands the plain their wages last spring, and a meeting of one crypt wherein the remains of the mighty delocates from all parts of Lancashire was beld ad are sepulchred.
